Learn More

Dear friends and colleagues,

On behalf of the Organising Committee, we warmly welcome you to attend the Sarawak Medico-Legal Conference (SMLC) 2026 which is jointly organised by the Malaysian Society of Neuroanaesthesiology and Neurocritical Care (MSNACC) and the Grievances and Medico-Legal Unit of Miri Hospital, and in collaboration with the Medico-Legal Society of Malaysia (MLSM) and the Medico-Legal Branch of Sarawak State Health Department.

The SMLC series humbly started back in 2022 with its inaugural meeting hosted in Kuching and followed by the Sarawak Medico-Legal Bootcamp held in the same city a year later as part of the efforts in addressing the current gaps in medico-legal and medical ethics education nationwide especially in Sarawak.

With the theme of 'From Theory To Practice,' the SMLC 2026, Miri is coming back strong after a hiatus of three years under another strong partnership between the MSNACC and MLSM. The SMLC 2026 offers the opportunity to build on the successes of previous editions. Its programme is even more ambitious with deeper dives into the latest topics in medico-legal and medical ethics for discussions and debates.

We trust the SLMC 2026 would offer you another great space to connect, learn and share. Have a fruitful meeting and enjoy the vibes of Miri!

MSNACC: Promoting Excellence in Perioperative Neuroscience AND Beyond
